

# Standard Owners Policy vs. Expanded Coverage Owners Policy (ALTA “Homeowners” Policy)

**Purchasing a new home could be one of the biggest investments you will ever make. Title insurance is vital part of your new purchase. Simply said, it protects you when you buy a new home.**

A Standard Owners policy from WFG National Title Insurance Company covers losses from ownership defects, unreleased liens, and undisclosed mechanics liens. The policy also provides coverage for legal fees that may be incurred in defending title to your home, even if the claim is spurious. WFG also offers extended coverage under a Homeowners policy, this policy provides a significant amount of additional coverage.

*These additional coverages are only available to you, the home buyer, and provide protection for matters that could dramatically affect the enjoyment of your new home.*

## Some additional coverages offered with a WFG Homeowners policy:

- Post policy forgery protection
- Pedestrian and vehicular access to the property
- Forced correction or removal of an existing violation of covenants, conditions or restrictions
- Encroachments of existing structures onto a neighbors land
- Damage to existing structures because of use or maintenance of any easement
- Automatic increased coverage of up to 150% of policy amount over 5 years
