

WELCOME TO
**SIMPLER
TITLE
ORDERS**

We're introducing an easier, faster way to submit your title orders!

WFG National Title is excited to partner with real estate's leading transaction management solutions provider, Lone Wolf Technologies. Together, we're bringing you a new integration where you can send title orders directly to your Escrow Officer from **Transactions (zipForm edition)** with a single click.

Just one more example of how, at WFG, everything we do is Because of YOU.

Contact your local WFG Sales Representative to for more information.

Plus, you'll experience:

One-click title ordering

Automatic status updates

Secure data and document transfer

Online messaging with your escrow officer

Contact us today to find out more.
